

WHERE THE MICHIGAN ATTORNEY GENERAL CANDIDATES **STAND ON LIFE**

VIEWES ON THE RIGHT TO LIFE

TOM LEONARD is a steadfast believer in the Right to Life. He has consistently stood for life at all stages, and while a member of the State House of Representatives has continued his efforts to protect the most vulnerable among us.

DANA NESSEL has repeatedly stated her radically proabortion views, proudly displaying on her website the endorsements of radical pro-abortion groups Planned Parenthood and NARAL Prochoice America.

VIEWES ON ENFORCING THE LAW

TOM LEONARD is a rule of law candidate who has stated that he would enforce the law rather than interpret it. This includes Michigan's pre-Roe v. Wade ban on abortion that is still on the books.

DANA NESSEL has demonstrated again and again that she would view herself as the arbitrator of laws as Attorney General. She has stated that she would often not defend state laws.

RECORDS ON LIFE

TOM LEONARD has a 100% prolife voting record. As a member of the state house he has voted to outlaw coercive abortion. He opposes using tax dollars for abortions.

DANA NESSEL has no record of elected office. Rather, she continues to stake out radical pro-abortion stances even going so far as describing crisis pregnancy centers supporting women as scams and stating that she would like to shut them all down.

NOTABLE STATEMENTS

TOM LEONARD "I will be a rule-of-law Attorney General and whatever law is on the books, I will enforce it. So if Roe v. Wade is overturned and the current law is still there, it will be enforced." (on Michigan's pre-Roe v. Wade ban on abortion).

DANA NESSEL "I am thankful to welcome the endorsement of MI List! For the last decade, MI List has been a leader in electing pro-choice women all across Michigan. I am proud to have their support. Together we will work tirelessly to protect the right to choose." (on an endorsement from Michigan abortion group MI List).
