Are you prepared for the general election?

A special message from Right to Life of Michigan President
Barbara Listing

When the general election comes up during a conversation, the most frequent question I am asked is: What judges do you recommend?

Thankfully, I can share that the Right to Life of Michigan Political Action Committee endorses judges in the non-partisan section of the ballot.

Judges play an important role in our society. We need judges who respect human life.

I hope you will join me in voting for judges who have earned the Right to Life of Michigan Political Action Committee endorsement starting with the Michigan Supreme Court. Please vote for Brian Zahra, James Robert Redford, and David Viviano.

Brian Zahra  James Robert Redford  David Viviano
